

SHAPE America Activity Equipment List

The Local Arrangements Committee will attempt to obtain the below items from area colleges/universities and K-12 school systems. Please indicate the items and approximate quantities needed for each in the Activity Equipment field of your presentation submission and only request items that are essential to the presentation of your session. Please note that activity equipment (including specific vendors and quantities) cannot be guaranteed. If your session is accepted into the program, additional communication will be sent specific to activity equipment coordination.

Items not included below may be requested but are not guaranteed and are ultimately the responsibility of the presenter.
