

Join us for the health and physical education event of the year!

Each spring, thousands of health and physical educators come together at the SHAPE America National Convention & Expo to learn, collaborate, and reignite their passion for teaching. In 2021, the national convention is going all virtual — with five days of inspirational speakers, sessions, and interactive experiences that will get you energized!

100+
hours of
professional
development

There will be plenty to love...

- **Choose from a broad range of high-quality sessions** from the nation's top health and physical educators;
- **Share ideas ... network ... and have some fun** with other HPE professionals from around the country;
- **Enjoy games, giveaways** and personal service in the virtual exhibit hall;
- **Maximize your professional development** with full access to all presentation sessions — which will be recorded — for 45 days after the event!
