WEDNESDAY, APRIL 10, 2019

1:00 – 1:30 p.m.

Fit and Fun Playscapes | Booth 614

Tampa Convention Center, Exhibit Hall, Demo Area 1

Ideas for Classroom Physical Activity

Attendees can experience innovative options for bringing physical activity to classrooms, as well as hallways and gymnasiums. Fit & Fun Playscapes will provide samples of their indoor portable, Roll-Out Games and adhesive Stick-On Stencils so attendees can learn about new options available, pros and cons of options, tips on planning out spaces using these products and get creative ideas on how to use them in different ways. Attendees can use real samples at demo.

Session Speaker: Pamela Guenther, Fit and Fun Playscapes

Action Based Learning (KIDSFIT) | Booth 813

Tampa Convention Center, Exhibit Hall, Demo Area 2

Boomerboard Demo – Action Based Learning

Quick energy release for restless students in the classroom? ABL boomerboard demo! Silent, non-distracting motion allows for a reprieve from the traditional classroom setting. Design is based off the brain research that strongly supports the link between movement and learning. The boomerboard station encourages an optimal environment for students of all ages by preparing the brain to learn! Activities are endless - Strategies are teacher friendly, time efficient, and most importantly - make learning fun!

Session Speaker: Laura Klubert, Action Based Learning

1:45 p.m. – 2:15 p.m.

Spikeball, Inc. | Booth 309

Tampa Convention Center, Exhibit Hall, Demo Area 1

Roundnet, The Next Great Global Sport in Physical Education

This presentation is to teach physical educators of all levels about the sport of roundnet and how they can implement it into their curriculum. We will discuss how to modify the rules and equipment so that any students regardless of their age or ability can improve their motor skills, movement patterns, and physical literacy.

Session Speaker: Skyler Boles, Spikeball, Inc.

Exhibitor Demonstration Schedule

Please note that schedule is subject to change.

Drums Alive, Inc. | Booth 801

Tampa Convention Center, Exhibit Hall, Demo Area 2

Drums Alive ABILITY BEATS – More Than Just Inclusion

Ability Beats is an evidence-based, all-inclusive program that unlocks limitations and empowers participants with the ability to achieve healthy and happy lives through a "no limitations" fitness/wellness approach. Foster creativity through a brain and body workout that integrates kinesthetic awareness, neuro-muscular skills, cardiovascular conditioning, flexibility, strength, socialization, and wellness activities. Learn how to adapt drumming activities to varying levels of abilities, thereby accommodating physiological, emotional, and cognitive needs that supports each individual's ABILITIES!

Session Speaker: Carrie Ekins, Drums Alive, Inc.

2:30 – 3:00 p.m.

Interactive Health Technologies (IHT) | Booth 512

Tampa Convention Center, Exhibit Hall, Demo Area 1

HIIT the Demo Floor with the IHT ZONE and DrumFIT

Empower your students to reach and understand their target heart rate zone with the IHT ZONE wrist heart rate monitor while moving to the beat of DrumFIT. This fun, informative High-Intensity Interval Training demo shows how HIIT workouts are the most effective, time efficient way to improve VO2 - the most significant bio-marker in fitness-health and miracle grow for the brain", and how measurable, 1:1 wearable tech can be added to and transform your program.

Session Speaker: Jen Ohlson, Interactive Health Technologies (IHT)

3:15 – 3:45 p.m.

Monkey Moves Games | Booth 617

Tampa Convention Center, Exhibit Hall, Demo Area 2

Monkey Moves: The Game to Get You Movin'!

Step into the shoes of your students as you partner up to attempt this trust and communication-based activity! You will work together to attempt the "Monkey Move" on each card shown to you. We will begin with the Elementary curriculum to introduce partner balance and collaboration. After a few introductory moves, we will ramp it up to end with the more challenging version, intended for Middle/High classes. Guaranteed to have you laughing and bonding!

Session Speaker: Larissa Gusek, Monkey Moves Games

Exhibitor Demonstration Schedule

Please note that schedule is subject to change.

THURSDAY, APRIL 11, 2019

9:14 – 9:45 a.m.

Skillastics/Sandy Spin Slade, Inc. | Booth 206

Tampa Convention Center, Exhibit Hall, Demo Area 1

CSPAP: Maximizing Movement with Skillastics

Skillastics is the best resource that enhances physical activity throughout the school day. Learn about the various range of theme-based activities from sport-specific, fitness, SEL, STEM, Early Childhood and more!

Session Speaker: Sandy Slade, Skillastics/Sandy Spin Slade, Inc.

Shift Sports/WikitBall | Booth 717

Tampa Convention Center, Exhibit Hall, Demo Area 2

WIKITBALL – An Exciting New Ball and Stick Game

WikitBall is an exciting new derivative ball and stick sport similar to cricket but with a major difference. Unlike cricket or baseball, WikitBall is high energy, non-stop action designed to be played in approximately 45 minutes making it ideal for scholastic environments. It hones translatable skills such as hand-eye coordination reaction time in addition to being a fun cardio workout.

Session Speaker: Paul Holland, Shift Sports/WikitBall

10:00 – 10:30 a.m.

Math and Movement | Booth 714

Tampa Convention Center, Exhibit Hall, Demo Area 1

Math and Movement: Strategies to Incorporate Math into PE

Are you being asked to incorporate more math into your Physical Education Curriculum? Come learn how Math and Movement can teach physical education skills and improve math skills simultaneously! Learn several techniques for warm-ups, assessments and activities that will work on P.E. skills, but also allow students to have intentional and vigorous math practice! Math and Movement is a kinesthetic approach to teaching and practicing math skills that fits perfectly into Physical Education.

Session Speaker: Marcia Wade, Math and Movement

Exhibitor Demonstration Schedule

Please note that schedule is subject to change.

ADA Sports | Booth 819

Tampa Convention Center, Exhibit Hall, Demo Area 2

Foam Coated Ball Drills, Activities & Games

Active Participation Session - We will cover a variety of fitness and game activities using foam coated balls. We will incorporate activities which align with the SHAPE National Standards for all grade levels. We make learning FUN so everyone can benefit from challenges and the values of physical activity.

Session Speaker: Randy Kempke, ADA Sports

10:45 – 11:15 a.m.

EduMotion | Booth 629

Tampa Convention Center, Exhibit Hall, Demo Area 1

SEL In Motion

Participants will actively participate in an "SEL Journeys" lesson and learn about EduMotion's unique approach for framing movement activities with explicit Social Emotional Learning (SEL) instruction aligned to CASEL's "Framework for Systemic Social and Emotional Learning" (casel.org). SEL Journeys is a digital learning platform featuring movement-based SEL activities for grades K-5. This will be a lively and active demonstration!

Session Speaker: Margot Toppen, EduMotion

DrumFIT USA Corp. | Booth 413

Tampa Convention Center, Exhibit Hall, Demo Area 2

Increasing Cognitive Function & Heart Rates with DrumFIT & IHT

Getting your heart pumping is great for your brain, but did you know that rhythm-based activities increase your higher cognitive function even more than cyclical activities like running, walking or cycling? Come FIND YOUR BEAT with DrumFIT and put your body and brain into overdrive! Empower students to reach and understand their target heart rate zone with the IHT ZONE wrist heart rate monitor and learn how to easily add tech to your PE programs.

Session Speaker: Danielle Sherbo, DrumsFIT USA Corp.

Exhibitor Demonstration Schedule

Please note that schedule is subject to change.

11:30 a.m. – 12:00 p.m.

HECOstix | Booth 301

Tampa Convention Center, Exhibit Hall, Demo Area 1

HECOstix (Hand Eye Coordination Trainer)

We've taken a simple game of playing catch and added a twist! Each leg is colored in a fashion that allows participants to call a color or hand combination and then throw the HECOstix to the receiver. The person receiving must process the information while the HECOstix are in the air and catch the corresponding color or hand combination called. Seems easy right?

Session Speaker: Kevin Stephenson, HECOstix

USA Field Hockey | Booth 326

Tampa Convention Center, Exhibit Hall, Demo Area 2

How to Incorporate Field Hockey into Your PE Curriculum

Come learn how to introduce field hockey into your PE curriculum in a fun and easy way! Take away useful tools, games and resources to use when working with new and experienced players, K-12.

Session Speaker: Jenna Ortega, USA Field Hockey

12:15 – 12:45 p.m.

Math and Movement | Booth 714

Tampa Convention Center, Exhibit Hall, Demo Area 1

Math in Physical Education Class

Are you being asked to incorporate more math into your Physical Education Curriculum? Come learn how Math and Movement can teach physical education skills and improve math skills simultaneously! Learn several techniques for warm-ups, assessments and activities that will work on P.E. skills, but also allow students to have intentional and vigorous math practice! Math and Movement is a kinesthetic approach to teaching and practicing math skills that fits perfectly into Physical Education.

Session Speaker: Marcia Wade, Math and Movement
