Description: Join us for appetizers, cocktails, music and laughter as we announce the 2020 SHAPE America National Teachers of the Year.

Just imagine, it's the last night of the convention and you've already enjoyed a week full of engaging workshops and exciting speakers. You probably have a new group of friends and you're ready to sample everything the city of Salt Lake City has to offer. Start your evening by attending this event first to celebrate your colleagues!

You'll enjoy food, fun and an award-winning celebration of the best of the best in the profession. It gets even better. SHAPE America will use 10% of the ticket proceeds to bring health and PE teachers to Capitol Hill to advocate on the national stage for our profession!

This funding will be used to support travel for health and PE teachers to SHAPE America's premier advocacy event, SPEAK Out! Day. SPEAK Out! Day brings health and physical education teachers to Washington, D.C. to meet face-to-face with their legislators and communicate the importance of health and physical education as part of a well-rounded education. With your support, we can help ensure our voices are heard. that there is strong representation for the profession on this important day. It's because of events like SPEAK Out! Day that we were successful in getting health and PE elevated in federal education law for the first time ever!

Needless to say, the entire evening is a win-win-win!

Your ticket includes light hors d'oeuvres and one drink.
